Bird Walk Schedule - Spring 2013

Arboretum bird walks start this Friday, April 5, and will occur on five Fridays in April and May.

Friday, April 5
Friday, April 12
Friday, April 19

April 26 - NO BIRD WALK

Friday, May 3
Friday, May 10

This is a great way to celebrate spring. On walks in early April, we will find resident species, early migrants just arriving at the Arboretum, and winter residents preparing to migrate farther north. By mid-May, the winter birds will be gone and we will be finding warblers, thrushes, and other migrants who stop to refuel in the Arboretum.

♦ Walks start at 8:00 AM and end at 9:30 AM and are led by State College Bird Club members Nancy Ellen Kiernan, Margaret Brittingham, and birding expert and enthusiast, Alex Lamoreaux.

♦ Wear sturdy shoes for walking on wet ground and bring a pair of binoculars.

♦ Meet at the Arboretum’s Overlook Pavilion parking area (off Park Avenue across from the law school building).

♦ All levels of experience are welcome. Hope to see you there!
