

On weekdays, over-sized vehicles such as school buses, motor coaches, and recreational vehicles must be parked in the Porter North parking lot on Porter Road near Beaver Stadium. Passengers may disembark in the Katz lot before drivers move the vehicle to the Porter North lot.

Parking fees (\$5.00 per space) apply between 7:00 a.m. and 5:00 p.m. on weekdays. There are two options in the Porter North lot. If the driver

stays with the vehicle, there will be no charge for educational trips. If the driver leaves the vehicle, a fee based on the number of spaces occupied by the vehicle will be assessed. A school bus is generally \$20.00 because most buses use 4 spaces at \$5.00 per space, but the charge could be less for a shorter vehicle. Payment may be made using the ParkMobile app or the in-lot pay station.
